Laughton-en-le-Morthen precept for 2022/23

Laughton-En-Le Morthen precept for 2022/23	£ 43,190
Total Grant Allocation for 2022/23	£ 0
Total Required from Rotherham MBC (i.e. precept PLUS grant)	£ 43,190

Based upon the cost base provided of 458.8 I believe this will result in an increased charge from £78.83 to £94.14 (19.4%)

Laughton-en-le-Morthen Parish Council is planning to carry out the first Phase of the Village Hall refurbishment in Summer this year, subject to a successful grant application for £100k. This is a substantial project, and we need to raise some of these funds through precept. As we have a low precept and cost base, this does mean that a £12k increase in precept does results in a significant percentage increase. A consultation document was issued in our last parish newsletter with no objections raised at that time or in our January parish council meeting.
